

Our family at Cheap Thrills Rentals want you to have a safe and fun summer. Here are some guidelines we are implementing to be in compliance with the CDC.

Our Staff Protocol

We will continue to maintain our high standards of cleanliness and safety. We use disinfectant on all of our watercraft, boats, tubes, wakeboards, skis, and life jackets.

**If you have skin sensitivities please wear clothing or use a towel to prevent direct contact.*

- All boats and watercraft will be disinfected after each use.
**We will no longer rent boats for AM or PM half days, to allow sufficient time to properly disinfect the boat between guests.*
- We will maintain a minimum of 6' of physical distancing wherever possible.
- Our lobby area will be closed for waiting.
- Our restrooms will be for staff only.
- Clients will be seen at their scheduled appointment time.
- Our common areas will be MASK-ON zones.
- We will clean and sanitize frequently touched areas of our facility and Legacy Park/Dock locations throughout the day.

** If you are going to be late for your scheduled appointment at our office or at Legacy Park/Dock, please call our office so that we can fit you in where possible.*
- There will be signage to keep 6' of distance between guests. Please follow the sign prompts.
- Only one person per reservation is to come inside our office to do paperwork. Other group members are to remain in vehicles.

- After departing our office, you are scheduled to go directly to Legacy Park/Docks for driver safety instruction and checkout. Anyone who wants to drive the watercraft **MUST** be present at instruction.

Beach Protocol
